**Item No. 1 Confirmation of the Minutes of the seventeenth Meeting of the Building and Works Committee held on 23.12.2021.**

The minutes of seventeenth BWC meeting held on 23.12.2021 were confirmed.

**Item No. 2 Action Taken Report on the decisions of the seventeenth meeting of the BWC**

The Committee noted the Actions taken report as placed before it. For the waterbody development work, the committee further advised the Institute for exploring the possibility of introducing a spillover weir type structure or a sluice gate type structure at the exit point of the main natural 'Nalla' of the campus to prevent backflow during monsoon/ flood time. This however may be planned only after thorough observations of the flows through the Nalla during rainy seasons.

**Item No. 3 Allotment of work for Construction of a 96 Seater Boys Hostel & Extension of the Girls Hostel at IIIT Guwahati permanent campus Bongora, under Kamrup (R) District, Guwahati:**

The committee was apprised about the background of estimates and the tendering details.

The committee then examined the reports (Technical report & the Financial report with CS) of the bid evaluation committee and noted that out of 5 bids, 3 qualified technically. All the qualified bidders have quoted competitive bids for the work. The lowest bidder M/s Bikash Enterprises is 1.4% higher than the estimated, while that of 2<sup>nd</sup> lowest M/s TRICON is 3% above estimate and that of M/s Shree Gautam is 5% above estimate. It is further noted that while rates in some items of the lowest bidder are lower than the estimated, in some other parts/items rates are higher than the estimated. However, in totality his bid appears to be balanced.

After threadbare discussions on the issue, the **Committee resolved to allot the work to the lowest bidder M/s Bikash Enterprises** at his quoted price of Rs.6,25,25,481/-

**Item No.4      Any other items:**

As there was no other agenda for discussions, the meeting ended with a vote of thanks to the Chair.
