

### Details of student's Paying Guest House (PG) Accommodation

This is to inform the parents/guardians of first-year B. Tech students who wish to join IIIT Guwahati that, due to the limited availability of on-campus hostel accommodation, a certain number of students (approximately 80-120) may need to be accommodated outside the campus. However, on-campus hostel accommodation will be provided to all girl students, PwD students, and ST students.

To address this accommodation requirement, IIIT Guwahati has empanelled a Paying Guest (PG) accommodation provider through a transparent selection process. The empanelled PG facility will accommodate students who are unable to secure on-campus hostel accommodation. The PG accommodation is located at Mirza, Palashbari (near the local market area), approximately 6.5 km from the IIIT Guwahati campus. The travel time between the campus and the PG accommodation is approximately 10-15 minutes by bus or car.

As per the agreement between IIIT Guwahati and the empanelled PG accommodation provider, the following facilities will be available at the PG accommodation:

- 24×7 electricity supply with power backup facilities;
- Free internet/Wi-Fi connectivity;
- Availability of transportation and assistance during medical emergencies;
- Adequate safety and security arrangements, including CCTV surveillance;
- Provision of certain indoor and outdoor sports facilities

Further, students who are unable to secure on-campus hostel accommodation during their first year may be provided with on-campus hostel accommodation from the 3rd semester (i.e., the second year onwards) subject to availability of hostel accommodation.

The details charges of PG accommodation are presented in the following table as follows:

**Table 1: Room Rent, Mess Services, and Transportation Charges for the Empanelled PG**

Sl. no	Description of charges	Empaneled Paying Guest House	Description
1	Room Rent	Rs. 15000/-	Rs. 2500/- is the charge per month per student. Room rent charge will be for 6 month per semester.
2	Mess service charges	Rs. 22,000/-	Rs. 5500 will be the monthly (30 days) mess charge. Therefore, the per day mess charge will be Rs. 183.33. There may be slight increase in the mess charge if a student stays more than 120 days during a semester. The excess amount will be collected by the PG provider at the end of the 1 <sup>st</sup> semester.
3	Transportation	Rs. 10000/-	A transportation charge of Rs. 2,000 per student per month will be applicable for to-and-fro transportation. This charge will be levied for a maximum of five months per semester, as students generally stay for more than 120 days (approximately 130–140 days) during each semester

**Note:** PG accommodation charges are required to submit to the provider of the PG services at the time of allotment of room/bed only

This is to be noted here that staying in an empanelled Paying Guest (PG) accommodation is not mandatory/compulsory for first-year students. Students whose parents/guardians can make alternative accommodation arrangements on their own may opt out of the empanelled PG facility.
