Name of RFP: Procurement, Implementation and Maintenance of Cloud-Based ERP System for Student Fees and Dues Management at Indian Institute of Information Technology Guwahati.

1. Opening of Financial Bid.

The Financial Bid of National Cooperative Consumers' Federation of India Ltd. (NCCF), the sole technically qualified bidder, was opened on 09.10.2026 at 12:00 PM in the Conference Room, IIIT Guwahati, in the presence of the Evaluation Committee.

2. Financial Bid Details.

Sl. No.	Description	Quoted Amount
1	Subscription Cost per Student per Month (Sections 7 & 8)	₹79.00 per student per month
2	One-Time Cost for Modules under Section 14 (including customization, implementation, data migration, training and deployment)	₹28,50,000.00
3	Annual Maintenance Charges (AMC) for Section 14 Modules (per annum, after warranty/support period)	₹4,27,500.00 per annum
4	GST	18%

3. Committee Recommendation:

Upon evaluation of the financial bid, the Committee observed that the amount quoted by National Cooperative Consumers' Federation of India Ltd. (NCCF) is substantially (more than 100%) higher than the estimated cost of the procurement. Considering the budgetary constraints and the fact that the quoted amount cannot be accommodated within the available budget provision, the Committee is of the view that proceeding with the procurement at the quoted rate would not be financially feasible.

In view of the above, the Committee recommends cancellation of the present tender. Any further action for the procurement may be considered separately, subject to reassessment of the requirements, estimated cost and availability of budget.
