The tender document can be downloaded from website <https://mhrd.euniwizarde.com>, which can be also accessed from <http://iiitg.ac.in>. Any Corrigendum/addendum, if any, would appear only on the IIIT Guwahati official website & <https://mhrd.euniwizarde.com> and not to be published in any News Paper.

- 1.2 The intending tenderer must read the terms and conditions of NIT carefully. He/She should only submit his/her tender if he considers himself eligible as per eligibility criteria and he/she is in possession of all the documents required.
- 1.3 Those intending tenderers/contractors not registered on the website i.e. <https://mhrd.euniwizarde.com> mentioned above, are required to get registered beforehand. If needed they can be imparted training on online tendering process as per details available on the website i.e. <https://mhrd.euniwizarde.com>
- 1.4 The intending tenderer must have appropriate digital signature to submit the tender.
- 1.5 The Tender Document as uploaded can be viewed and downloaded free of cost by anyone including intending tenderer. But the tender can be submitted only after uploading the mandatory scanned documents such as (a) Proof of payment/on-line receipt towards the cost of tender document & (b) all other documents as per Notice Inviting e-tender.

1.6 Set of Contract / Tender Documents:

The following documents will constitute set of tender documents:

- a) Detailed Notice Inviting e-Tender and containing Eligibility Criteria, Instructions to Tenderer
 - b) Special Conditions of contract (SCC) and Schedule 'B' to 'F'
 - c) Approved Materials & Makes
 - d) General Condition of Contract-CPWD (deemed to be included)
 - e) Bill of Quantities
 - f) Acceptance of Tender Conditions
 - g) Integrity Pact as per CPWD format (deemed to be included)
 - h) Corrigendum, if any
- 1.7 Any queries relating to the process of online bid submission or queries relating to e-Wizard Portal, in general, may be directed to the e-Wizard Helpdesk. The email & contact number for the helpdesk is given below:
- Email: helpdeskeuniwizarde@gmail.com,
Contact Person: Mr Abhishek Singh Ph: +91 7903269552
- 1.8 IIIT Guwahati (IIITG) will not be responsible for any type of failure of network at contractor's end. So tenderers are advised to fill tender with sufficient time in hand to avoid last moment rush.**
- 1.9 Tenderers are advised to keep watching e-procurement portal <https://mhrd.euniwizarde.com/> until the specified submission date for any kind of corrigendum/ further Notice on the subject tender.
- 1.10 Joint ventures are not accepted.
- 1.11 IIITG reserves the right to accept /reject any or all the tenders and split up the work among more than one parties without assigning any reasons thereof. IIITG reserve the right to terminate the work in between by giving one month's notice without any financial liability.

1.12 The tenderers are required to quote strictly as per terms and conditions, specifications, standards given in the tender document and not to stipulate any deviations.

1.13 The tenderer can re-submit or revised his/her tender any number of times before the specified time and date of submission of tender as notified.

1.14 On opening date, the tenderers can login and see the tender opening outcomes.

1.15 Contractor can upload all documents in PDF format, except the Price bid for which separate instructions for filling will be there (ref. Sl. No.1.19 and 1.20).

1.16 Contractor to upload scanned copies of all the requisite documents as per this NIT including valid EPF registration/ESI registration, GST registration, PAN No., Bank A/C details etc. as stipulated in the tender document. In case bidder does not possess EPF/ESI registration at the time of bidding, he/she will **give an undertaking to submit these documents if he/she will be selected for award of the contract.**

1.17 If the contractor is found ineligible after opening of tender, his tender shall become invalid and cost of bid document shall not be refunded.

1.18 Notwithstanding anything stated above, IIITG reserves the right to assess the capabilities and capacity of the tenderers to perform the contract, in the overall interest of IIITG. In case, tenderer's capabilities and capacities are not found satisfactory, IIITG reserves the right to reject the tender.

1.19 In case of Item Rate Tender, price shall be entered against each item in the Bill of Quantities / Schedule of Quantities. The cost of item against which the contractor has failed to enter a rate or price shall be deemed to be covered by rates and prices of other items in Bill of Quantities / Schedule of Quantities and no payment shall be made for the quantities executed for items against which rate has not been quoted by the contractor. The column(cells) meant for quoting rate in figures appears in yellow color. The Rate shall be quoted up to 2 Decimals.

1.20 In addition to this, while selecting any of the cells, a warning appears that if any cell is left blank the same shall be treated as "0". Therefore, if any cell is left blank and no rate is quoted by the tenderers, rate of such item shall be treated as "0" (ZERO).

1.21 The tenderer may submit their queries (if any) in writing by e-mail at works@iiitg.ac.in to seek clarifications latest by 20.12.2022 till 1300 Hrs, which, if needed may be clarified by the Institute through corrigendum subsequently before tender submission date.

1.22 The tenderer may visit the work site at **IIIT Guwahati**, Bongora, Kamrup (R), Assam, PIN-781015 and contact Works section for any clarifications.

1.23 Work will be awarded to L-1 Bidder only if his/her bid is otherwise found in order and after approval from Competent level of IIITG.

1.24 The strike through line in the middle of text is not applicable in this NIT.

1.26 The bidder registered under MSME will be exempted only for Tender Cost.

1.27 The bidder registered under MSME is also required to submit the bid declaration toward EMD (As per annexure-A) online in E-procurement Portal and hard copy of the same at mentioned place on or before scheduled date and time

(Signature of the tenderer)
With rubber stamp

Dated: _____

5. Instructions to Tenderer (ITT)

Online Item Rate basis tenders are invite by Indian Institute of Information Technology Guwahati (IIITG) for the work of “**Construction of a Canteen for Academic & Administrative Building, IIT Guwahati**”.

The work is estimated to cost **₹18 Lacs**. This estimate, however, is given merely as a rough guide.

- 5.1 The tender document as uploaded can be seen on website <http://iiitg.ac.in>, <https://mhrd.euniwizarde.com> and can be downloaded free of cost.
- 5.2 Bidders may to visit the site location before submitting the tender.
- 5.3 **Mode of Submission of Earnest Money Deposit: EMD is waived off** OM No. F.9/4/2020-PPD dated 12th Nov-2020 of Ministry of Finance, GOI **However, applicant must submit the bid declaration** towards EMD (As per **annexure-A**) The bid declaration to be submitted on the Non-Judicial stamp paper on ₹100 duly notarized, while submitting hardcopy of tender. Scanned copy may be uploaded along with soft version of the tender.
- 5.4 Interested bidder who wish to participate in the tender has also to make following payments in the form of on line payment and uploaded the receipt/UTR No. etc. to the e-Tendering website within the period of bid submission:

Cost of Bid Document- ₹ 3000.00 /- (Rupees Three Thousand Only) only shall be submitted through E-Payment mode in E-procurement Portal. Bidder has to select the payment option as “E-Payment” to pay the Tender Fee/Cost of Tender. **The bidder registered under MSME are exempted.** However, registration fee of e-procurement portal has to be paid to the e-procurement portal i.e. <https://mhrd.euniwizarde.com> .

Copy of certificate of work experience (if required) and other documents as specified in the tender/eligibility criteria shall be scanned and uploaded to the <https://mhrd.euniwizarde.com> Website within the period of tender submission and certified copy of each shall be Submitted Online”. The tender submitted shall become invalid if:

- 5.5 Technical tender documents submitted by intending tenderers shall be opened online in the e-procurement portal only of those tenderers, whose Earnest Money Deposit and Cost of tender are found in order. The Price Bids of those tenderers who qualify the technical bid shall be opened. Date and time will be communicated vide corrigendum notice in due course of time in the e-procurement portal as well in the Institute’s website <http://www.iiitg.ac.in>
- 5.6 The tender submitted shall become invalid if:
- 5.6.1 The tenderer is found ineligible.
- 5.6.2 The tenderers do not upload all the documents as per the list at 4.3 (of Eligibility Criteria) and as stipulated in the tender document.

5.7 VALIDITY OF TENDER

The Tender for the works shall remain open for acceptance for a period of Sixty (60) days from the date of opening of financial tender. If any tenderer withdraws his tender before the said period or issue of letter of acceptance, whichever is earlier, or makes any modifications in the terms and conditions of the tender which are not acceptable to the IIITG, then the IIITG shall, without prejudice to any other right or remedy, be at liberty to forfeit the said earnest money as aforesaid. Further the tenderers shall not be allowed to participate in the retendering process of work.

5.8 ACCEPTANCE OF TENDER

IIITG reserves the right to reject any or all the tenders in part or full without assigning any reason whatsoever. IIITG does not bind itself to accept the lowest tender. The IIITG reserves the right to award the work to a single party or split the work amongst two or more parties as deemed necessary without assigning any reason thereof. The Contractor is bound to accept the part work as offered by IIITG after split up at the quoted/accepted rates.

5.9 The tenders shall be strictly as per the conditions of contract. Tenders with any additional condition(s)/modifications shall be rejected.

5.10 The witnesses to the Tender/Contract Agreement shall be other than the tenderer(s) competing for this work and must indicate full name, address, and status/occupation with dated signatures.

5.11 The acceptance of tender will rest with the IIITG who does not bind itself to accept the lowest tender and reserves to itself the right to reject any or all the tenders received without assigning any reason thereof. Tenders in which, any of the prescribed conditions are not fulfilled or found incomplete in any respect are liable to be rejected.

5.12 On acceptance of tender, the name of the accredited representative(s) of the contractor who would be responsible for taking instructions from Engineer-in-Charge or its authorized representative shall be intimated by the contractor within 07 days from the date of issue of letter of Award by IIITG.

5.13 The tenderer shall not be permitted to tender for works if his/her near relative is posted in the Office of IIITG. The contractor shall also intimate the names of persons who are working with him in any capacity or are subsequently employed by him and who are near relatives to any of the officers/staff in IIITG. Any breach of this condition by the tenderer would render him liable to the withdrawal of the work awarded to him and forfeiture of Earnest Money and Security Deposit. This may also debar the contractor from tendering for future works with IIITG.

5.14 The time of completion of the entire work, as contained in contract shall be as mentioned in "NIT", which shall be reckoned from the 07th day after issue of the letter of Award by the IIITG or from the first day of handing over of clear site whichever is later.

5.15 Canvassing whether directly or indirectly, in connection with tenderers is strictly prohibited and the tenders submitted by the contractors who resort to canvassing will be liable for rejection.

5.16 The tender award, execution and completion of work shall be governed by tender documents consisting of (but not limited to) Letter of Award/Letter of Intent/work order, Bill of Quantities, Conditions of Contract.

5.17 ADDENDA/CORRIGENDA

Addenda/Corrigenda to the tender documents may be issued prior to the date of submission of the Addenda/ Corrigenda to the tender documents may be issued up to the date of submission of the tender to clarify or effect modification in specification and/ or contract terms included in various tender documents. The tenderer shall suitably take into consideration such Addenda/ Corrigenda while submitting his tender. The tenderer shall return such Addenda/ Corrigenda duly signed and stamped as confirmation of its receipt & acceptance and submit along with the tender document. All Addenda/ Corrigenda shall be signed and stamped on each page by the tenderer and shall become part of the tender and contract documents. In case of nonworking of websites, addendum/corrigendum shall be uploaded immediately on its working.

5.18 CLARIFICATION AFTER TENDER SUBMISSION

Tenderer's attention is drawn to the fact that during the period, the tenders are under consideration, the tenderers are advised to refrain from contacting by any means, the IIITG and/or his employees/ representatives on matters related to the tender under consideration and that if necessary, IIITG will obtain clarifications in writing or as may be necessary. The tender evaluation and process of award of works is done by duly authorized Tender Scrutiny Committee and this committee is authorized to discuss and get clarification from the tenderers.

- 5.19 If the quantities for some items may not be given in the BOQs, those quantities may be considered as NIL & bidders need not to quote the rates for such items.
- 5.20 The condition written elsewhere shall not be considered either for evaluation or as a part of eligibility criteria.

Annexure-A

Special Conditions of Contract (SCC) along with schedule 'B' to 'F'

6. SPECIAL CONDITIONS OF CONTRACT

These special conditions shall supersede/ supplement the relevant conditions given in CPWD Form 7/8 (Edition 2020 with up to date corrections and amendments) in the tender document and the General Conditions of Contract(GCC) of CPWD [https://cpwd.gov.in/Publication/GCC_Constructions_works_2020.pdf] , which otherwise are part of this tender document.

6.1 This work / contract is being executed for Indian Institute of Information Technology Guwahati. The conditions of payment are on back to back basis. The payment of work done shall be made to the contractor on receipt of the duly signed triplicate bill copies from the contractor attaching all measurement of records for the works done, proof of full filling statutory requirement of tax, cess and royalty deposition to the appropriate authority and as per the payment terms mentioned in this NIT.

6.2 (a) i) Contractor shall submit the complete program of execution proposed to be followed for execution within 07 days of award of work.

(ii) The contractor must plan his working activities in consultation with Engineer-in- charge/Owner in such a way that part completion and handover of priority requirements of the Institute is adhered to as per schedule of work plan made at outset of the work and the same to be completed in full respect as directed by the Institute.

6.2 (b) SITE VISIT prior to Bidding

Since the location of the work i.e. IIIT Guwahati:-

- The bidder, at the bidder's own responsibility, cost and risk, must visit the site and examine the site of works and its surroundings go through the plans/drawings/ details connected to the work, if/as available and obtain all information that may be necessary for preparing the bid and entering into a contract for execution of the works. The costs of visiting the site shall be at the bidder's own expense.
- The bidder should certify that he has visited the site/area and got fully acquainted with the working conditions and other prevalent conditions and fluctuations thereto whether he actually visited the site/area or not and has taken all the factors into account while quoting his rates.
- The bidder should got himself acquainted with the conditions and geological details available for the proposed work site including working conditions, road approaches etc., safety and security of men, material and, machinery. Any probable incidental cost for smooth & speedy execution of the job must be assessed by the bidder and accordingly loaded in his/her rates. In future/ at the time of execution, no extra will be payable for non-realistic assessment at the time of bidding by the tenderer.
- The bidder should visit the site and upload Site Visit Report "Form F" along with the bid.

- 6.3 RAW MATERIAL: All materials and labour required for the execution of work shall be arranged by the contractor including cement & reinforcement steel etc.

Cement:

- 6.4 (i) The contractor shall procure 43 grade OPC/53 grade OPC or PPC (conforming to relevant IS) cement, as required in the work, of approved makes or as approved by Engineer-In charge . Supply of cement shall be taken in 50 kg. bags bearing manufacturer's name and ISI marking, Samples of cement arranged by the contractor shall be taken by the Engineer-in-Charge and got tested in accordance with provisions of relevant BIS codes at contractor's cost. In case test results indicate that the cement arranged by contractor does not conform to the relevant BIS codes, the same shall stand rejected and shall be removed from the site by the contractor at his own cost within a week's time of written order from the Engineer-in-Charge to do so.
- ii) Damaged cement shall be removed from site immediately by the contractor on receipt of a notice in writing from the Engineer-in-charge. If he does not do so within three days of the receipt of such notice, the Engineer-in-charge shall get it removed at the risk & cost of the contractor.
- iii) Mix designing of Concrete wherever applicable, are to be carried out from reputed Govt./Autonomous Institute and to be approved by Engineer-in-Charge.

Steel Reinforcement:

- 6.5 i) The contractor shall procure TMT steel reinforcement bars of Fe500D/Fe550/Fe550D or higher grade conforming to relevant BIS codes of the approved makes / as approved by Engineer In- charge. The contractor shall have to obtain, and furnish test certificates to the Engineer-in-charge in respect of all supplies of steel brought by him to the site of work. Samples shall also be taken and got tested by the Engineer-in- charge as per the provisions in this regard in relevant BIS codes at contractor's cost. In case the test results indicate that the steel arranged by the contractor does not conform to BIS codes, the same shall stand rejected and shall be removed from the site of work by the contractor at his cost within a week time from written orders from the Engineer-in-charge to do so.
- ii) Steel brought to site and steel remaining unused shall not be removed from site without the written permission of the Engineer-in-charge.
- iii) Contractor has to maintain all register/records during execution of works as stipulated in CPWD works manual and as per direction of Engineer In charge.

Other construction materials:

- 6.6 (a) All material used in the work shall be confirming to IS Specifications and as approved by Engineer In-charge /Owner and shall be ISI marked unless otherwise specified. In the event for items for which either the brands not specified or ISI marked items not available, the sample of the item before use shall be got approved from Engineer –in-charge. However, in either cases the samples of materials / fixtures shall be got approved from Engineer –in-charge before use in the work.
- (b) Contractor shall be required to produce samples of all materials and fittings sufficiently in advance for approval. The Contractor when called upon shall provide "make" of samples for approval before execution free of cost and also will make arrangements for transportation of samples to the designated test house as per the direction of Engineer-in-charge of the work at his own cost. Cost of testing will also be borne by the contractor.
- (c) The materials and equipment used for execution will be got tested from third party (preferably from a Government Institute like IIT/NIT/reputed Govt. Engineering institution etc.) frequency as per CPWD norms.
- 6.7 Any notice to be given under this contract shall be sent by registered post, Speed post at the last known registered or head office address of the contractor and shall be deemed to have been effected at the time at which the letter would be delivered in the ordinary course of post.
- 6.8 IIITG shall not supply or procure any material for use on works and the contractor has to make his own arrangements for supplying, procuring transportation and storage of all such materials required for the work, at his own cost.

Drawings and statutory permissions:

- 6.9 The contractor shall be supplied drawings required for execution of work like architectural, structural, all service plans and other detailed drawings in a phased manner. If any particular drawing is required for execution of work, contractor shall inform the Engineer-in-Charge in writing at least 07 days in advance. Shop drawings shall have to be got prepared by the contractor at their own and to be got approved from Architect/Engineer-in-Charge before start of work.
- 6.10 **The contractor shall be responsible for obtaining necessary clearances, wherever applicable, for start of work and on completion of work executed by him from various local bodies including GMC, GMDA, Panchayat (as applicable), State Environmental Board, State Fire, ASEB/power/ Electrical inspector etc. for water, sewer, drainage, fire fighting, lifts, Power supply/DG set, for starting the construction & for occupation of the building (as the case may be).** Necessary liaisoning with other working agencies & local bodies shall be his/her responsibility. Any statutory fees to be paid on account of said clearances shall be reimbursed to contractor by IIITG.

Payments and records:

- 6.11 The payment to the contractor shall be made from the office of IIIT Guwahati through RTGS/NEFT or any other applicable online mode. If the contractor desires the payment through Banker Cheque/Demand Draft, charges on account of this shall be debited to the contractor. The contractor shall not claim anything extra on this account.
- 6.12 Unless specifically advised Running Account bill submission process will be as per clause 7 of GCC and the representative of Owner will check/verify the works & the measurements before submitting the concerned bill for payment process.
- 6.13 The contractor should have valid PF Code, PAN, TIN and ESI No. & should provide a copy of PF, ESI registration number. The contractor shall provide the copies of challans as a proof of remittance of PF & ESI amount. The contractor should also maintain the PF records, labour records i.e. copies of wage sheets, attendance sheets, monthly returns, annual returns, forest royalty challan/records, P.O.& bills of material purchased for constructions and any other record in this regard for inspection and should provide as and when required by the Engineer-in-charge.
- 6.14 The contractor will be responsible to get register himself under labour cess in “Building and other construction workers” welfare board.
- 6.15 The contractor will be responsible for obtaining “Contractor All Risk Policy” towards entire cost of the work and will obtain “Workmen compensation policy” at his own cost. The policy should cover entire tenure of contract inclusive of extended period, if any.
- 6.16 The decision of the Competent Authority of Owner, regarding the quantum of reduction as well as justification thereof in respect of rates for substandard work will be final and would not be open to arbitration and adjudication.
- 6.17 No advance shall be paid to the contractor against any Tools & Plants, equipment & machinery or any materials etc. brought at site by the contractor. Water & electricity for execution of work including testing & commissioning etc. shall be arranged by the contractor at his own. **No mobilization advance provision is there in this contract.** Clause No. 10 (b) (ii) of GCC not applicable.
- 6.18 The work may be inspected by Central Vigilance Commission/ record inspected by CAG team and any deductions/ compensation proposed by CVC/CAG or Competent Authority of IIITG in regard to defective work or work not confirming to specification, loss of time, amount shall be deducted from his/her dues. Contractor must provide necessary records for all such inspection as and when called for.
- 6.19 **It is clearly agreed and understood by the tenderers/ contractors that notwithstanding anything to the contrary that may be stated in the agreement any delay in the release of payment by the IIITG/ owner to the contractor, shall not entitle the contractor any compensation / interest nor it will account for any reason for delays in schedule plan for activities of the work.**
- 6.20 The contractor will have to submit a no claim / final claim certificate, duly notarized on a stamp paper of appropriate value, as per the standard format at the time of release of Performance Bank Guarantee & security deposit.
- 6.21 Any bill of the contractor will be accepted only when it is accompanied with valid GST invoice and required FRCC.

6.22 No Secured advance payment shall be released to the contractor against any material brought at site. Clause No. 10(b)(i) of GCC will not be applicable.

6.23 (a) Tax deductions at source, if any, shall be made by IIITG as per laws prevalent in the State as applicable for the works under the statute such as GST or any other law for levy of tax on goods/materials/article which may be used for execution of work. Contractor has to submit GST bills per laws as applicable.

6.24 (b) The stamp duty and registration charges, if any, on the contract agreement levied by the Government or any other statutory body, shall be paid by the contractor as applicable in the State, where the work to be executed.

6.24 (c) It will be incumbent upon the Contractor that he/it shall get registered and discharge his obligations for payments, filling of return etc. under the appropriate provisions of the law in respect of all the taxes, duties, levies, cess, etc. IIITG always have right, if required, to seek necessary evidence from the contractor that he/it is registered under the law and / or any other obligations under the provisions of the respective Act and in case of any failure on part of the Contractor, it shall be his/her duties to indemnify IIITG all time.

6.25

(a) The accepted rates of the contractor shall be firm / fixed for the entire contract period including extended period, if any. No escalation in rates shall be payable at all. Clause No. 10c, 10ca and 10 cc of GCC are not applicable.

(b) No Abnormally High Rate (AHR)/Abnormally Low Rate item derivation will be applicable in this tender.

7. Settlement of Disputes

7.1 SCC Clause no. 26 A:-

Except where otherwise provided in the contract, all questions and disputes relating to the meaning of the specifications, design, drawings and instructions here-in before mentioned and as to the quality of workmanship or materials used on the work or as to any other question, claim, right, matter or thing whatsoever in any way arising out of or relating to the contract, designs, drawings, specifications, estimates, instructions, orders or these conditions or otherwise concerning the works or the execution or failure to execute the same whether arising during the progress of the work or after the cancellation, termination, completion or abandonment thereof shall be dealt with as mentioned hereinafter :

If the contractor considers any work demanded of him/her to be outside the requirements of the contract, or disputes any drawings, record or decision given in writing by the Engineer-in-Charge or if the Engineer-in-Charge considers any act or decision of the contractor on any matter in connection with or arising out of the contract or carrying out of the work, to be unacceptable and is disputed, such party shall promptly within 30 days of the arising of the disputes make a request to the appropriate authority of IIITG, who shall refer the disputes to Dispute Redressal Committee (DRC) within 30 days along with a list of disputes with amounts claimed if any in respect of each such dispute. The Dispute Redressal Committee (DRC) will give its decision within a period of 60 days extendable by 30 days by

consent of both the parties from the receipt of reference from appropriate authority. The constitution of Dispute Redressal Committee (DRC) shall be indicated in Schedule 'F' Provided that no party shall be represented before the Dispute Redressal Committee by an advocate/legal counsel etc.

If any of the party is still dissatisfied, the same may approach to the appropriate court in Guwahati.

7.2 SCC Clause no. 26 B:-

- (i) It is hereby agreed by the parties that **clause 25 of GCC 'Resolution of Disputes and Arbitration' shall not be applicable to this Contract** and is hereby specifically excluded from purview of this contract. The parties agree that any clause in any of the documents forming part of this contract like NIT, BOQ or any other document, for referring of dispute to Arbitration shall not be applicable to the present contract.

It is specifically agreed by the parties that all matters or disputes arising out of and / or concerning this contract shall be exclusively subject to the jurisdiction of the Courts at Guwahati only to the exclusion of Courts at all other places.

- (ii) **Rates of extra items and deviated items beyond the limit mentioned in this NIT shall be derived on the basis of DSR 2021 plus prevailing cost index (only if published by CPWD) and in case of Non DSR item same will be derived on basis of prevailing market rates considering 15% CP & OH.**

Within above said limit, the work shall be carried out by the contractor on the same condition in all respects including price on which he agreed to do the main work. Beyond these limits, the rates determined on basis of market rates and the contractor shall be paid in accordance with the rates so determined by the Engineer-in-Charge / Owner.

- (iii) The contractor shall be responsible for obtaining Completion Certificate and Occupancy Certificate from the local body / bodies (If required). The contractor shall send completion report along with above certificates as well as "As Built" drawings and maintenance schedules to the office of the IIITG as soon as possible.
- (iv) Contractor has to provide for user operation & maintenance manuals and impart training to OWNER. All warranties and guarantees on equipment/fixtures etc. procured by the contractors shall be in the name of OWNER.
- (v) The contractor shall keep the IIITG/Owner indemnified against any damage or loss on account of neglect of professional duty or conduct on the part of such staff or Engineers or others.
- (vi) The contractor shall not stake any claim in case IIITG decides for foreclosure of the work or reduce the scope of work at any of the stages subsequent to start of work or even if the work do not take off at all.
- (vii) The contractor shall obtain the labour license, within one month of award of work, if required.

- (viii) The specialized items of work are to be got executed by the contractor engaging the agencies who are experienced in carrying out those specialized items of work duly approved by Engineer-In-charge.
- (ix) Performance Guarantee @ 03% (Three percent) of awarded contract amount or estimated cost put to tender, whichever is higher shall be submitted by the contractor within the time schedule as specified in the tender document in the shape of Performance Bank Guarantee issued by any Nationalized Bank. This supersedes clause no.1 of GCC.
- (x) Payments due to the contractor will be made only after getting the certification that the statutory P.F. payment have been made to EPFO related to the employees deployed by the contractor for the project. Necessary Employees wise details of deposit of P.F./ESI will be kept ready by the contractor for verification by IIITG.
- (xi) FRCC as applicable have to be produced along with bill for verification and release of payment. The contractor will be solely responsible for obtaining FRCC.
- (xii) The estimate is based on DSR 2021 rates for schedule items and market rates for the Non-schedule items.
- (xiii) For schedule items, items no's, description or nomenclature of the items, unit of the items given in financial bids are based on DSR 2021. If there is any error or discrepancy in the above w.r.t as given in DSR 2021, the same shall be regulated as given in DSR 2021.
- (xiv) The payment shall be made in Indian Rupees through bank account.
- (xv) Income tax and other taxes as applicable shall be deducted at source.

Execution of Work

- (xvi) **Implementing agency/Owner-** Indian Institute of Information Technology Guwahati.
Funding Agency- Indian Institute of Information Technology Guwahati.
The work of the Construction of Construction of a Town Hall at IIIT Guwahati permanent campus Bongora, under Kamrup (R) District, Guwahati. is to be completed within a **total completion period of 12weeks.**
- (xvii) On award of work, the contractor will liaison with the office of IIITG for taking over of sites with proper demarcation, chalk out detailed priority wise work plan (to be approved by Owner) & will start construction work as per GFC drawings issued by IIITG. It is to be noted that drawings given in the tender are indicative only. The contractor will strictly adhere to this chalked out plan/ programme and on completion of work in all respect the work will be handed over to the IIITG along with all requisite documents by the contractor.
- (xviii) During excavation of basement/foundations if any dewatering involves that has to be done by the contractor on his own cost expenses will be deemed as are included in quoted rates.
- (xix) The contractor shall be solely responsible for execution of work with proper workmanship and as per the specifications.

- (xx) Contactor has to work closely with other contractors/agencies carrying out the work of road/building/drainage works in the site. Necessary coordination for the said purpose will have to be maintained though out the duration of execution of the job. The cost of necessary cutting and making good the walls of manholes and similar as per scope of this contract is deemed to be included in the quoted rates. Nothing shall be paid extra on this account.
- (xxi) The work is to be completed within specified completion period. If it is found that more time has been taken by the contractor to complete the work/project, liquidated damages @ 1.5% per Month of delay (to be computed on per day basis) subject to a maximum of 10% of the award value of the work as per CPWD guidelines would be imposed on the contractor.**
- (xxii) On completion of the work, the work shall be handed over to the client including all services and facilities executed in accordance with the approved plans, specification fulfilling all techno functional requirements along with inventory, "As Built drawings", maintenance manual/standard operating procedure (SOP) for equipments.
- (xxiii) If the work is carried out in violation of the approved plan of the project/ contract, the agency shall rectify the same at his own cost to the satisfaction of the Institute/IITG.
- (xxiv) No extra payment shall be made to the contractor for laying of concrete by ready mixed concrete (R.M.C) plant if the same is approved for use in construction by the Engineer-in-charge.
- (xxv) During execution period, the contractor has to control noise and air pollution at site as per norms of Pollution Control Board/Local Authorities. Further, since the site is within an Educational campus, contractor must take all pre-cautions necessary/ as directed by the IITG authority for avoiding disturbances to the students/ campus residents.
- (xxvi) Contractor shall be solely and exclusively responsible for all acts and omissions of its staff and any person, associations, institutions engaged by it for execution of the work and for the health, safety and security of such person of entities and their property.
- (xxvii) Water and Electricity for construction and for other purpose will be arranged by the contractor at his own.
- (xxviii) The contractor shall make all arrangements for ground breaking Ceremony / inaugural function etc. for the project as required and the cost towards it is deemed to be included in his rates/offer.

(xxix) Performance guarantee equivalent to 3% of the awarded contract amount or estimated cost put to tender, whichever is higher submitted by the contractor, shall be refunded to the contractor after successful completion & recording of the completion of work and handing over of the completed work to IIITG.

(xxx) Defects Liability & Maintenance Period:

The contractor shall be fully responsible for the quality, workmanship and structural safety of the work executed. The contractor shall be fully responsible for liability of defects in the work executed by him for a period of one year. All defects observed during the defects liability period shall be rectified by the contractor at his own cost and expenses. Any major and minor repair will be done by the contractor free of cost for one year after handing over the work executed. In the event of failure on the part of the contractor to rectify the defects, the same may, without prejudice to any other right available to it in law, be rectified by the Contractor. Owner shall have the right to deduct or set off the expenses incurred by it in rectifying the defects as aforesaid from/against any amount due and payable or becoming due and payable by IIITG to the contractor under this agreement or any other contract what-so-ever. During the Defects- liability period. Contractor has to depute a Supervisor/Engineer (if required) to look after the defects for which nothing extra would be payable to the contractor. On completion of DLP period of one year, the contractor will arrange to get visited & checked by official of IIITG.

(xxxi) **JURISDICTION:** The agreement is deemed to be executed at Guwahati and the Court in Guwahati alone will have the jurisdiction to deal with matters arising under this work.

(xxxii) Force Majeure means acts of God (including, but not limited to natural disaster, fire, thunder, lighting, explosion, earthquake, storm, typhoon, tornado, drought, tidal wave and flood) terrorist attacks or war (whether declared or not), invasion or an act of foreign enemy or any judgment or order of any court of competent Jurisdiction or statutory Authority, restrictions imposed by the Government/Location bodies or other statutory bodies whereby a party is prevented from complying with its obligations under this agreement. The period of compliance with its obligation under this agreement by the party affected by the force Majeure event shall be extended on a day for day basis for the period during which the force Majeure event continues.

(xxxiii) In the event of a party (effected party) not being able to perform its obligations pursuant

to this Agreement as a result of a Force Majeure event, such affected party shall give notice ("Force Majeure Notice") to the other party, of any such Force Majeure event as soon as reasonably practicable but not later than seven days after the dated of on which the affected party knew or should have reasonably known the commencement of the Force Majeure event.

- (xl) If the affected Party has taken all necessary steps towards mitigating the effect of a force Majeure even, then:
- a. The obligations of the affected party shall be suspended to the extent that they are affected by the Force Majeure event so long as the Force Majeure event continues;
 - b. To the extent the performance of the obligations of the affected Party is affected by the Force Majeure event, the time period for the performance of the obligations of the affected Party shall be extended by a similar time period on a day to day basis.
8. Force Majeure shall not include any event, which is caused by the negligence or intentional action of a Party's or such Party's sub agency or agent or employees or, which a diligent Party could reasonably have been expected to:

(i) Take into account at the time of the conclusion of this agreement and/ or;

(ii) Avoid or overcome in the carrying out of its obligations hereunder.

- 9 The Performance Bank Guarantee and Security Deposit will be released by the IIITG after fulfilling the following documents:

9.1 Performance bank guarantee will be released to the contractor on compliance of the followings:

- a) Completion & handing over of work in all respect to IIITG.
- b) Obtaining all approvals /NOCs/Clearances and Occupancy certificate from concerned local authorities and as applicable on completion of work.

INTEGRITY PACT

To,

Associate Dean (Administration), IIIT Guwahati

.....

.....

Sub: Submission of Tender for the work **Construction of a Canteen for Academic & Administrative Building, IIIT Guwahati.**

NIT No: IIITG/Works/17/2022-2023/005 Date:13.12.2022

Dear Sir,

I/We acknowledge that IIIT Guwahati is committed to follow the principles thereof as enumerated in the Integrity Agreement enclosed with the tender/bid document.

I/We agree that the Notice Inviting Tender (NIT) is an invitation to offer made on the condition that I/We will sign the enclosed integrity Agreement, which is an integral part of tender documents, failing which I/We will stand disqualified from the tendering process. I/We acknowledge that THE MAKING OF THE BID SHALL BE REGARDED AS AN UNCONDITIONAL AND ABSOLUTE ACCEPTANCE of this condition of the NIT.

I/We confirm acceptance and compliance with the Integrity Agreement in letter and spirit and further agree that execution of the said Integrity Agreement shall be separate and distinct from the main contract, which will come into existence when tender/bid is finally accepted by IIIT Guwahati. I/We acknowledge and accept the duration of the Integrity Agreement, which shall be in the line with Article 1 of the Integrity Agreement.

I/We acknowledge that in the event of my/our failure to sign and accept the Integrity Agreement, while submitting the tender/bid, IIIT Guwahati shall have unqualified, absolute and unfettered right to disqualify the tenderer/bidder and reject the tender/bid in accordance with terms and conditions of the tender/ bid.

Yours faithfully

(Duly authorized signatory of the Bidder)

To be signed by the bidder and same signatory competent / authorized to sign the relevant contract on behalf of IIIT Guwahati.

**INTEGRITY AGREEMENT
(To be signed with the successful bidder)**

This Integrity Agreement is made at on this day of 2022

BETWEEN

IIIT Guwahati,
.....

'Principal/Owner', which expression shall unless repugnant to the meaning or context hereof include its successors and permitted assigns)

AND

.....
(Name and Address of the Individual/firm/Company)

through (Hereinafter referred to as the
(Details of duly authorized signatory)

"Bidder/Contractor" and which expression shall unless repugnant to the meaning or context hereof include its successors and permitted assigns)

Preamble

WHEREAS the Principal / Owner has floated the Tender (NIT No)
(hereinafter referred to as "Tender/Bid")
and intends to award, under laid down organizational procedure, contract for
(Name of work)

hereinafter referred to as the "Contract".

AND WHEREAS the Principal/Owner values full compliance with all relevant laws of the land, rules, regulations, economic use of resources and of fairness/transparency in its relation with its Bidder(s) and Contractor(s).

AND WHEREAS to meet the purpose aforesaid both the parties have agreed to enter into this Integrity Agreement (hereinafter referred to as "Integrity Pact" or "Pact"), the terms and conditions of which shall also be read as integral part and parcel of the Tender/Bid documents and Contract between the parties.

NOW, THEREFORE, in consideration of mutual covenants contained in this Pact, the parties hereby agree as follows and this Pact witnesses as under:

**DINAMONI
BORAH**

Digitally signed by
DINAMONI BORAH
Date: 2022.12.14
14:52:19 IST

Article 1: Commitment of the Principal/Owner

- (1) The Principal/Owner commits itself to take all measures necessary to prevent corruption and to observe the following principles:
 - (a) No employee of the Principal/Owner, personally or through any of his/her family members, will in connection with the Tender, or the execution of the Contract, demand, take a promise for or accept, for self or third person, any material or immaterial benefit which the person is not legally entitled to.
 - (b) The Principal/Owner will, during the Tender process, treat all Bidder(s) with equity and reason. The Principal/Owner will, in particular, before and during the Tender process, provide to all Bidder(s) the same information and will not provide to any Bidder(s) confidential / additional information through which the Bidder(s) could obtain an advantage in relation to the Tender process or the Contract execution.
 - (c) The Principal/Owner shall endeavour to exclude from the Tender process any person, whose conduct in the past has been of biased nature.
- (2) If the Principal/Owner obtains information on the conduct of any of its employees which is a criminal offence under the Indian Penal code (IPC)/Prevention of Corruption Act, 1988 (PC Act) or is in violation of the principles herein mentioned or if there be a substantive suspicion in this regard, the Principal/Owner will inform the Chief Vigilance Officer and in addition can also initiate disciplinary actions as per its internal laid down policies and procedures.

Article 2: Commitment of the Bidder(s)/Contractor(s)

1. It is required that each Bidder/Contractor (including their respective officers, employees and agents) adhere to the highest ethical standards, and report to the Government / Department all suspected acts of fraud or corruption or Coercion or Collusion of which it has knowledge or becomes aware, during the tendering process and throughout the negotiation or award of a contract.
2. The Bidder(s)/Contractor(s) commits himself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the Tender process and during the Contract execution:
 - (a) The Bidder(s)/Contractor(s) will not, directly or through any other person or firm, offer, promise or give to any of the Principal/Owner's employees involved in the Tender process or execution of the Contract or to any third person any material or other benefit which he/she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the Tender process or during the execution of the Contract.
 - (b) The Bidder(s)/Contractor(s) will not enter with other Bidder(s) into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to cartelize in the bidding process.
 - (c) The Bidder(s)/Contractor(s) will not commit any offence under the relevant IPC/PC Act. Further the Bidder(s)/Contractor(s) will not use improperly, (for the purpose of competition or personal gain), or pass on to others, any information or documents provided by the Principal/Owner as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.
 - (d) The Bidder(s)/Contractor(s) of foreign origin shall disclose the names and addresses of agents/representatives in India, if any. Similarly Bidder(s)/Contractor(s) of Indian Nationality shall disclose

names and addresses of foreign agents/representatives, if any. Either the Indian agent on behalf of the foreign principal or the foreign principal directly could bid in a tender but not both. Further, in cases where an agent participate in a tender on behalf of one manufacturer, he shall not be allowed to quote on behalf of another manufacturer along with the first manufacturer in a subsequent/parallel tender for the same item.

- (e) The Bidder(s)/Contractor(s) will, when presenting his bid, disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the Contract.
- 3. The Bidder(s)/Contractor(s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.
- 4. The Bidder(s)/Contractor(s) will not, directly or through any other person or firm indulge in fraudulent practice means a willful misrepresentation or omission of facts or submission of fake/forged documents in order to induce public official to act in reliance thereof, with the purpose of obtaining unjust advantage by or causing damage to justified interest of others and/or to influence the procurement process to the detriment of the Government interests.
- 5. The Bidder(s)/Contractor(s) will not, directly or through any other person or firm use Coercive Practices (means the act of obtaining something, compelling an action or influencing a decision through intimidation, threat or the use of force directly or indirectly, where potential or actual injury may befall upon a person, his/ her reputation or property to influence their participation in the tendering process).

Article 3: Consequences of Breach

Without prejudice to any rights that may be available to the Principal/Owner under law or the Contract or its established policies and laid down procedures, the Principal/Owner shall have the following rights in case of breach of this Integrity Pact by the Bidder(s)/Contractor(s) and the Bidder/ Contractor accepts and undertakes to respect and uphold the Principal/Owner's absolute right:

- 1. If the Bidder(s)/Contractor(s), either before award or during execution of Contract has committed a transgression through a violation of Article 2 above or in any other form, such as to put his reliability or credibility in question, the Principal/Owner after giving 14 days notice to the contractor shall have powers to disqualify the Bidder(s)/Contractor(s) from the Tender process or terminate/determine the Contract, if already executed or exclude the Bidder/Contractor from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of transgression and determined by the Principal/Owner. Such exclusion may be forever or for a limited period as decided by the Principal/Owner.
- 2. Forfeiture of EMD/Performance Guarantee/Security Deposit: If the Principal/Owner has disqualified the Bidder(s) from the Tender process prior to the award of the Contract or terminated/determined the Contract or has accrued the right to terminate/determine the Contract according to Article 3(1), the Principal/Owner apart from exercising any legal rights that may have accrued to the Principal/Owner, may in its considered opinion forfeit the entire amount of Earnest Money Deposit, Performance Guarantee and Security Deposit of the Bidder/Contractor.
- 3. Criminal Liability: If the Principal/Owner obtains knowledge of conduct of a Bidder or Contractor, or of an employee or a representative or an associate of a Bidder or Contractor which constitutes corruption within the meaning of IPC Act, or if the Principal/Owner has substantive suspicion in this regard, the Principal/Owner will inform the same to law enforcing agencies for further investigation.

Article 4: Previous Transgression

1. The Bidder declares that no previous transgressions occurred in the last 5 years with any other Company in any country confirming to the anticorruption approach or with Central Government or State Government or any other Central/State Public Sector Enterprises in India that could justify his exclusion from the Tender process.
2. If the Bidder makes incorrect statement on this subject, he can be disqualified from the Tender process or action can be taken for banning of business dealings/ holiday listing of the Bidder/Contractor as deemed fit by the Principal/ Owner.
3. If the Bidder/Contractor can prove that he has resorted / recouped the damage caused by him and has installed a suitable corruption prevention system, the Principal/Owner may, at its own discretion, revoke the exclusion prematurely.

Article 5: Equal Treatment of all Bidders/Contractors/Subcontractors

1. The Bidder(s)/Contractor(s) undertake(s) to demand from all subcontractors a commitment in conformity with this Integrity Pact. The Bidder/Contractor shall be responsible for any violation(s) of the principles laid down in this agreement/Pact by any of its Subcontractors/sub-vendors.
2. The Principal/Owner will enter into Pacts on identical terms as this one with all Bidders and Contractors.
3. The Principal/Owner will disqualify Bidders, who do not submit, the duly signed Pact between the Principal/ Owner and the bidder, along with the Tender or violate its provisions at any stage of the Tender process, from the Tender process.

Article 6- Duration of the Pact

This Pact begins when both the parties have legally signed it. It expires for the Contractor/Vendor 12 months after the completion of work under the contract or till the continuation of defect liability period, whichever is more and for all other bidders, till the Contract has been awarded.

If any claim is made/lodged during the time, the same shall be binding and continue to be valid despite the lapse of this Pacts as specified above, unless it is discharged/determined by the Competent Authority, CPWD.

Article 7- Other Provisions

1. This Pact is subject to Indian Law, place of performance and jurisdiction is the Head quarters of the Division of the Principal/Owner, who has floated the Tender.
2. Changes and supplements need to be made in writing. Side agreements have not been made.
3. If the Contractor is a partnership or a consortium, this Pact must be signed by all the partners or by one or more partner holding power of attorney signed by all partners and consortium members. In case of a Company, the Pact must be signed by a representative duly authorized by board resolution.
4. Should one or several provisions of this Pact turn out to be invalid; the remainder of this Pact remains valid. In this case, the parties will strive to come to an agreement to their original intentions.
5. It is agreed term and condition that any dispute or difference arising between the parties with regard to the terms of this Integrity Agreement / Pact, any action taken by the Owner/Principal in accordance with this Integrity Agreement/ Pact or interpretation thereof shall not be subject to arbitration.

Article 8- LEGAL AND PRIOR RIGHTS

All rights and remedies of the parties hereto shall be in addition to all the other legal rights and remedies belonging to such parties under the Contract and/or law and the same shall be deemed to be cumulative and not alternative to such legal rights and remedies aforesaid. For the sake of brevity, both the Parties agree that this Integrity Pact will have precedence over the Tender/Contact documents with regard any of the provisions covered under this Integrity Pact.

IN WITNESS WHEREOF the parties have signed and executed this Integrity Pact at the place and date first above mentioned in the presence of following witnesses:

Sheet should have protective guard film of 25 microns minimum to avoid scratches during transportation and should be supplied in single length upto 12 metre or as desired by Engineer-in-charge. The sheet shall be fixed using self drilling /self tapping screws of size (5.5x 55 mm) with EPDM seal, complete upto any pitch in horizontal/ vertical or curved surfaces, excluding the cost of purlins, rafters and trusses and including cutting to size and shape wherever required.	Sqm	302.50		
	Cement concrete flooring 1:2:4 (1 cement : 2 coarse sand : 4 graded stone aggregate) finished with a floating coat of neat cement, including cement slurry, but excluding the cost of nosing of steps etc. complete. 1				
19	40 mm thick with 20 mm nominal size stone aggregate	Sqm	233.87		
20	Providing and fixing ISI marked flush door shutters conforming to IS : 2202 (Part I) non-decorative type, core of block board construction with frame of 1st class hard wood and well matched commercial 3 ply veneering with vertical grains or cross bands and face veneers on both faces of shutters: 35 mm thick including ISI marked Stainless Steel butt hinges with necessary screws . .	Sqm	4.20		
	30 mm thick including ISI marked Stainless Steel butt hinges with necessary screws				
21	Painting with synthetic enamel paint of approved brand and manufacture to give an even shade :				
	Two or more coats on new work	Sqm	137.70		

22	Providing and fixing factory made door frame (single rebate) made out of single piece extruded solid PVC foam profile with homogenous fine cellular structure having smooth outer integral skin having 62 mm width & 32 mm thickness, frame will be mitred & Jointed with self driven self tapping screws of size 38 mm x 4 mm & PVC solvent cement, including fixing the frame to wall with suitable dia & length anchor fastener as per manufacturer's specification and direction of Engineer-in-charge.	Rmt	9.00		
23	Providing and fixing factory made 30 mm thick door shutter made of solid PVC foam profile. The styles & rails shall be of size 75 mm x 30 mm having wall thickness 5 mm. The styles, top & bottom rails shall have one side wall thickness of 15 mm integrally extruded on the hinge side of the profile for better screw holding power. The styles and rails shall be reinforced with M.S. tubes of size 33 mm x 17 mm x 1 mm, painted with primer, all four corners of reinforcement to be welded or sealed. Solid PVC extruded bidding (push fit type) will be set inside the styles and the rails with a cavity, to receive single piece extruded 5mm PVC sheet as panel. The styles and rails will be mitred cut and joint with the help of PVC solvent cement & self driven self tapping screws. Single piece extruded solid PVC lock rail of size 100 mm x 30 mm with wall thickness 5 mm & 15 mm integrally extruded in the middle of the lock rail & fixed with styles with the help of PVC solvent cement & self driven self tapping screws of size 100mm x 8 mm complete as per manufacturer's specifications and direction of Engineer-in-charge. Non decorative finish	Sqm	2.40		
24	Providing and fixing white vitreous china pedestal type water closet (European type W.C. pan) with seat and lid, 10 litre low level white P.V.C. flushing cistern, including flush pipe, with manually controlled device (handle lever), conforming to IS : 7231, with all fittings and fixtures complete, including cutting and making good the walls and floors wherever required : W.C. pan with ISI marked white solid plastic seat and lid	Each	2.00		
25	Providing and fixing wash basin with C.I. brackets, 15 mm C.P. brass pillar taps, 32 mm C.P. brass waste of standard pattern, including painting of fittings and brackets, cutting and making good the walls wherever require: White Vitreous China Wash basin size 630x450 mm with a pair of 15 mm C.P. brass pillar taps	Each	4.00		
26	Providing and laying Polished Granite stone flooring in required design and patterns, in linear as well as curvilinear portions of the building all complete as per the architectural drawings with 18 mm thick stone slab over 20 mm (average) thick base of cement mortar 1:4 (1 cement : 4 coarse sand) laid and jointed with cement slurry and pointing with white cement slurry admixed with pigment of matching shade including rubbing, curing and polishing etc. all complete as specified and as directed by the Engineer-in-Charge.				
	Polished Granite stone slab colour of Black, Cherry/Ruby Red or equivalent	Sqm	9.24		
27	Providing and fixing aluminium work for doors, windows, ventilators and partitions with extruded built up standard tubular sections/ appropriate Z sections and other sections of approved make conforming to IS: 733 and IS: 1285, fixing with dash fasteners of required dia and size, including necessary filling up the gaps at junctions, i.e. at top, bottom and sides with required EPDM rubber/ neoprene gasket etc. Aluminium sections shall be smooth, rust free, straight, mitred and jointed mechanically wherever required including cleat angle, Aluminium snap beading for glazing / paneling, C.P. brass / stainless steel screws, all complete as per architectural drawings and the directions of Engineer-in-charge. (Glazing, paneling and dash fasteners to be paid for separately) :				
	For fixed portion Anodised aluminium (anodised transparent or dyed to required shade according to IS: 1868, Minimum anodic coating of grade AC 15)	Kg	50.00		

28	For shutters of doors, windows & ventilators including providing and fixing hinges/ pivots and making provision for fixing of fittings wherever required including the cost of EPDM rubber / neoprene gasket required (Fittings shall be paid for separately)				
	Anodised aluminium (anodised transparent or dyed to required shade according to IS: 1868, Minimum anodic coating of grade AC 15)	Kg	40.00		
29	Providing and fixing glazing in aluminium door, window, ventilator shutters and partitions etc. with EPDM rubber / neoprene gasket etc. complete as per the architectural drawings and the directions of engineer-in-charge . (Cost of aluminium snap beading shall be paid in basic item):				
	With float glass panes of 4.0 mm thickness (weight not less than 10kg/sqm)	Sqm	16.80		
30	Providing and fixing tiled false ceiling of specified materials of size 595x595 mm in true horizontal level, suspended on inter locking metal grid of hot dipped galvanized steel sections (galvanized @ 120 grams/ sqm, both side inclusive) consisting of main "T" runner with suitably spaced joints to get required length and of size 24x38 mm made from 0.30 mm thick (minimum) sheet, spaced at 1200 mm center to center and cross "T" of size 24x25 mm made of 0.30 mm thick (minimum) sheet, 1200 mm long spaced between main "T" at 600 mm center to center to form a grid of 1200x600 mm and secondary cross "T" of length 600 mm and size 24x25 mm made of 0.30 mm thick (minimum) sheet to be interlocked at middle of the 1200x600 mm panel to form grids of 600x600 mm and wall angle of size 24x24x0.3 mm and laying false ceiling tiles of approved texture in the grid including, required cutting/making, opening for services like diffusers, grills, light fittings, fixtures, smoke detectors etc. Main "T" runners to be suspended from ceiling using GI slotted cleats of size 27 x 37 x 25 x1.6 mm fixed to ceiling with 12.5 mm dia and 50 mm long dash fasteners, 4 mm GI adjustable rods with galvanised butterfly level clips of size 85 x 30 x 0.8 mm spaced at 1200 mm center to center along main T, bottom exposed width of 24 mm of all T-sections shall be pre-painted with polyester paint, all complete for all heights as per specifications, drawings and as directed by Engineer-in-charge				
	GI Metal Ceiling Lay in plain Tegular edge Global white color tiles of size 595x595 mm, and 0.5 mm thick with 8 mm drop; made of G I sheet having galvanizing of 100 gms/sqm (both sides inclusive) and electro statically polyester powder coated of thickness 60 microns (minimum), including factory painted after bending.	Sqm	45.70
